Relief of Bid Request

Attn: Office Engineer

Please consider this letter of request for bid relief from our bid on contract no. 03-3F7604 which opened on Dec 13, 2016. We made a large error in preparing our bid as submitted electronically for this contract. Specifically the cost of the import borrow material was omitted on my work up sheets for bid item #46 Import Borrow (CY). This omission resulted in a direct cost reduction of \$4.80/ton associated with the bid item import borrow 311,000cy. At the conversion rate of 2 tons per cubic yard this equates to 622,000 tons @ \$4.80 cost/ton which resulted in our bid being \$2,985,600.00 less than intended. This mistake occurred as at the time of bid as we were waiting for our last material quote to come in. Due to a mistaken email address this was turned in late to us, thus causing me to use an incomplete number that was minus the cost of material, in the last few hectic moments of bid submission. We respectfully request a relief of bid as this large sum of omitted cost would not allow for us to build a successful project.

Sincerely,

Steve Manning
President
